- [9] 次の英文を読んで、下の問いに答えなさい。(\*印には注があります)

We usually buy and put \*stamps on letters to send them. But very long ago there were no stamps. When people sent letters, they had to ask someone to carry their letters. People who finally got the letters \*paid some money.

The first stamps in the world were made in \*the UK in 1840. After ①that sending letters became easier. People just put stamps on their letters (②) the stamps showed that people already paid money to send letters. Stamps have been popular around the world since then. Today many kinds of stamps are made. In Japan we can make our own stamps with our favorite pictures or messages.

There are very beautiful and interesting stamps in the world. A lot of people like to collect stamps. They don't use the stamps to send letters. Some of them think ③stamps are like picture books. They enjoy looking at beautiful pictures on stamps. They also enjoy learning a lot from the pictures of famous people, special \*events or other things.

By the way, did you know that there are some rules about stamps? One of them is that a country must show its ( ④ ) on its stamps. So in Japan our stamps have the word "Nippon" on them. But there is one country which has never written its ( ④ ) on the stamps. It is the UK. People in the UK think that they are special because they made the first stamps.

\* (注) stamp(s): 切手 paid: pay(~を支払う)の過去形 the UK: イギリス event(s): 出来事
